CAREER OBJECTIVE

Hard-working Web Development major currently attending UCF Coding Boot Camp, with 4.5 years of work experience. Aiming to leverage a proven knowledge of carrier management, container transportation, and dedicated logistics operations skills to successfully fill the Front End/Full Stack Web Developer role at your company. Frequently praised as detail-oriented by my peers, I can be relied upon to help your company achieve its goals.

PROFESSIONAL EXPERIENCE

LOGISTICS MANAGER

*Common Sense Office Furniture, Orlando, FL / Jun 2015 –
Present*

- Resolve problems concerning transportation, logistics systems, imports or exports, or customer issues.
- Collaborate with other departments to integrate logistics with business systems or processes, such as customer sales, order management, accounting, or shipping.
- Direct distribution center operation to ensure achievement of cost, productivity, accuracy, or timeliness objectives.
- Negotiate with suppliers or customers to improve supply chain efficiency or sustainability.
